	<p><i>*Work Without Permit* This permit is to provide for inspections of structure that have already been built, except the extension of the carport, at the SE corner of the house. Plans per Owner show joist hangers attached to fascia of residence. This is not allowed per Code! Field inspector must provide a prescriptive method of construction, that allows the carport extension to be built, and still be Code compliant. Any approvals shall be completely at the discretion of the building inspector, and shall be based on existing conditions, and the informed judgement of the inspector on site. BOC to PL--13.5', FYSB--15' Field inspector must measure to see if the structure violates the FYSB.</i></p>
