	<i>2015-- permit to correct failing framework at existing garage only. Work includes re-positioning leaning structure of existing garage, to upright and plumb condition, properly bracing the structure to prevent any further leaning. This permit is conditioned upon proper maintenance of main house, and accessory building, including clearing of sidewalks, mowing and maintaining grass and vegetation, and securing all the buildings from vagrants and vermin. One frame inspection to assess framing methods, and 1 final inspection to observe compliance with COA property maintenance ordinances.</i>
